I have been advised by my supervisor that DWP has a new General Manager and we are unsure if that program will be approved to continue, so leave it out. The report itself can say that the BID plans to apply for grants but does not know if they will be received and therefore cannot count them as revenue at this time.

Rick,

Should we assume that we will get the \$5,000 at this point? The APR states that we will apply for it.
